Issue 2-September 13th, 2019

Dear Families,

Another week of school has flown by! We are learning so many new things! *Breakfast and Books* was a huge success. Thanks to all parents who came and supported our Scholastic Book Fair and your child's love of reading!

Today your child brought home their Poetry Notebook for the first time! Remember to send it back every Monday!

If you have not signed up for Text Messages with Remind please do so. Also, if you have never received an email from me, please let me know so I can make sure I have your correct email!

Thank you for your wonderful support from home,
Miss Byrne

Learning Goals

Language Arts-The students are continuing to recognize the letters of the alphabet, identify their sound and write them. We are trying very hard to form letters correctly in the space given! This is a hard concept so we will work on this all year! This week we will work on the letters N through R.

Math- This week will continue with numbers and focus on the numbers 6 to 10. This topic goes over identifying, counting, and writing number 6 to 10

Social Studies/Science Connection-We will continue to learn about different rules and procedures here at school. We will also examine signs of fall! Changes in the weather, trees and what the animals are doing to get ready for winter are all signs that we will discuss.

Home-School Connection- Take a Fall Hike as a family! Pick up leaves, examine their colors and shapes. Make a leaf picture! Go to a pumpkin patch or corn maze. Your conversations and experiences with your child are priceless.
