Issue 1-September 6th, 2019

Dear Families,

Our first official Newsletter has made it home to you! Please look for these weekly newsletters to come home every Friday! We have had three successful weeks of kindergarten! We have settled into our daily routines and the students are doing a great job with listening and following directions, an important skill for success! Please remind your child about being a Timmons HERO before leaving for school in the morning. This surrounds our school rules of: Hands, Feet and Objects to Self; Follow Directions; Use Kind Words; and Respect Property and Others. These reminders will help to set the day for a successful one!

A few quick reminders:

- Please send in a simple healthy snack daily for your child. Put in an easy spot in their bookbag so they can put in their mailbox when unpacking. If anyone is interested in sending extra snacks for our friends who forget, anything prepackaged would be great (Veggie Straws, Skinny Pop, granola bars).
- If you have not signed up for the Remind text messages please do so.
- Please remember to empty your child's Take Home Folder each night!
- Homework papers are due the week after they are send home. Homework notebook is due at the beginning of the next month!
- Always email me if you have any questions!!! 😊

Thank you for your wonderful support from home,
Miss Byrne

Learning Goals

Language Arts-The students are continuing to recognize the letters of the alphabet, identify their sound and write them. We are trying very hard to from letters correctly in the space given! This is a hard concept so we will work on this all year! This week we will work on the letters I through M.

Math-We have just finished up our math unit on Positional words. This week will begin our unit on numbers 1 to 5. This topic goes over identifying, counting and writing up to the number 5.

Social Studies/Science Connection-We will continue to learn about different rules and procedures here at school. Establishing a classroom environment that we are all comfortable with and happy in is the goal!

Home-School Connection-Ask you child about rules at school and talk about how they can be a Timmons HERO!
