Issue 8-October 25<sup>th</sup>, 2019

Dear Families,

Today report cards are available to print and view on Infinite Campus. Please read the blue paper that came home in the Friday Folder that explains the report card. I look forward to sharing all of our learning with you at conferences!

Kindergarteners had a special visit today from the Bainbridge Fire Department. Ask your child what they learned about Fire Safety!

Enjoy the weekend and have a safe Halloween on Thursday! I look forward to all of the costumes- remember your child is to wear their costume to school (paper came home previously in Friday Folder).

Thank you for your support from home,

Miss Byrne

## Dates to Remember

Oct. 29<sup>th</sup> & Nov. 4<sup>th</sup>-  
Conferences

Oct. 31<sup>st</sup>- Fall Party

Nov. 6<sup>th</sup>- Picture retake  
day

Nov. 27<sup>th</sup> - Nov. 29<sup>th</sup>- No  
School

WEAR BOMBER BLUE  
EVERY FRIDAY TO  
SHOW YOUR SCHOOL  
SPIRIT!

OCTOBER PEAK  
CHARACTER TRAIT

is

**RESPECT**

## Learning Goals

Language Arts- Our letter focus this week will be letter Nn. We will be revisiting writing this letter but learning the sound too. Our sight words are the words "like" and "look." We will do various activities with both letter and the sight words. We will continue focusing on doing our best to hear all the sounds in words and write them down.

Math- We will continue our unit on shapes. We will continue to look at the features of the shapes and also where in our environment do we see shapes.

Social Studies/Science Connection- We will continue to learn about pumpkins and how they grow. We will also do some fun pumpkin investigations that involve carving!

Home-School Connection- Talk about 2D shapes in the environment. While sitting and eating dinner, notice if your plate a circle or a square. Maybe you are eating a piece of pizza, is it in the shape of a triangle or square? Have a hunt for shapes while driving in the car!
