Please ask your child one of the following questions every day. Many thanks!

How many more days until Martin Luther King Day? What is longer a week or a month? How do you know? Whose name is under (name)? Why do we celebrate Martin Luther King Day?	How many more days do you go to school this month? How many more days until Sunday? Whose name is first in this week (point to a week)? How many (day of the week word) are left?
