

Dear Families,

The next two months of the share calendar is the "Mystery Box." Your child will bring home the mystery box, an empty plastic container, with a paper for the clues. You are to put one object in it. Your child needs to write 3 clues about the object in the "Mystery Box" and bring it to school on his/her scheduled day. I will send the "Mystery Box" home the night before your child's day with another copy of the paper.

If I brought in car keys my example would be:

1. They are silver.
2. They jingle.
3. They help me drive.

Thank you for helping me with this homework assignment,

Miss Byrne

My Clues

1. _____

2. _____

3. _____
