Issue 21 - March 6th, 2020

Dear Families,

Next week is the last week of our 3rd quarter! The year sure is flying by!! We have such amazing kiddos in this class who get smarter and smarter each day!!

As we continue to learn and grow many of our reading levels will be changing. As your child brings home their weekly book keep practicing with them, as they might be a little harder now!! Remember to send it back on Fridays!!

****Please remember to send in a snack daily with your child.**

Have a great weekend!!
Miss Byrne

Learning Goals

Language Arts- Our letter focus for the week of is letter Gg. We will be revisiting writing the letter but will learn the letter sound too. Our sight word is the word "we," "will" and "do." We will do various activities with both the letter and sight word. We will continue to work on opinion and informational writing during Writers Workshop.

Math- We will continue to work hard on subtraction. We will also begin to mix addition and subtraction problems to see if we can look at the plus and minus sign to know what to do.

Social Studies/Science Connection- We will continue to talk about maps and how we use them.

Home-School Connection- Keep practicing addition and subtraction flashcards!
